- (1) Capital Balance as on 31.03.2022 Rs. 4,00,564.02.
- (2) Turnover for 31.03.2022 NIL.

Further we wish to inform you that due to Covid – 19 Pandemic, we have not had any business for the F.Y. 2020-2021 and 2021-2022 which is a known fact globally. As we are concentrated in student study tour operation business there wont be any business during 1st half of financial years (ie April to September). Hence we have no business in the first half of financial year. April 2022- September 2022 also. We are getting business in the 2nd half of the F.y. 2022-2023.

As informed, we started the Turnover of business in the year 2015. For the last 3 years of pre covid period our turnover from tour operation is as follows.

We are ready to submit certificate from CA for the above turnover.
