Subject: Clarification Regarding Staff Details and Experience Certificates (Item No. 8)

Dear Sir/Madam,

This is with reference to the requirements outlined in Item No. 8 regarding the details of our employed staff, including their names, designations, educational qualifications, length of service, and field experience.

We would like to formally clarify that the complete **tabulation containing all required staff details**, along with the corresponding **experience certificate in the tourism field, has already been submitted** as an attachment with our previous documentation.

Additionally, please note that while our personnel do not hold formal academic degrees in tourism, they are highly proficient professionals with extensive, verifiable practical experience in travel operations and management, which thoroughly equips them to deliver exceptional industry standards.

We kindly request you to consider the previously attached tabulation and certificate as the complete submission for this requirement. Should you need any further information or additional copies, we remain at your disposal to provide them promptly.

Thanking you.

Yours sincerely,

NEYAS M Y L
