

Kerala Tourism App Concept

“Life is about creating and living experiences that are worth sharing.”

The app helps people explore the new experiences Kerala has to offer and share those moments with the world or keep it as a private album.

Explore:

Find all experiences across Kerala searched by location and category. [Type: *Nature, Wildlife, Wellness, Sports, Festivals, Food, History, Shop*].

Experience:

Get information about places and see memories of people who visited.

Moments:

All the fun you had, captured in pixels for lifetime memories.

Share:

Capture the perfect moment and tell the world how you feel about the place or keep them to yourself.
