Health Advisory to persons travelling to Kerala

On 22nd May 2018 we had issued an Advisory that while travelling to any part of Kerala travellers who wish to be extra cautious may avoid the districts of Kozhikode, Malappuram, Wayanad and Kannur. Our surveillance has shown that there are no cases in Wayanad and Kannur. Therefore, we have taken away these two districts from intense surveillance.

Therefore, our Advisory is modified as below:

"Travelling to any part of Kerala is safe. However, if travellers wish to be extra cautious, they may avoid Kozhikode and Malappuram till further advisory".
