Press Release

Facilitation Centre for TIM projects to be opened tomorrow

Thiruvananthapuram, Feb. 06: The Facilitation Centre for taking forward the projects that came up at the Tourism Investors Meet (TIM) will be inaugurated by Tourism Minister Shri P A Mohamed Riyas at the office of Kerala Tourism Infrastructure Ltd (KTIL) here on February 7 at 3.30 pm.

The Tourism Department has set up the Facilitation Centre to fast-track the processing of the investment proposals made at TIM held in the city in November last.

The event, organized by the Tourism Department in partnership with the industry, created overwhelming response from the investors, who came up with a raft of project proposals to seize on immense opportunities offered by tourism in the state.

It was then decided to open a Facilitation Centre in the city to process the projects for their time-bound implementation. The Facilitation centre will consider fresh project proposals also.

The Tourism Additional Director (General) has been appointed as Convener of TIM Facilitation Centre and Chairman KTIL as Co-Convenor.
