Requires Consultant in Archaeology for “Muziris Heritage Project”

Notification No: P8(MPL)13292(I)/15

Dated,11-01.2017

Muziris Project Ltd, Department of Tourism, Government of Kerala invites applications from qualified and experienced professionals for appointment as Consultant in Archaeology on fixed remuneration basis. The background, scope of works and other requirement are as follows:

Background

The Government of Kerala has initiated the Muziris Heritage Project to reinstate the historical and cultural significance of the legendary port of Muziris. The region is dotted with numerous monuments of a bygone era that conjure up a vast and vivid past. The entire project is designed to involve and integrate the local community in all intended developmental initiatives.

The Muziris Heritage Project is one of the biggest conservation projects in India. The state and central governments have come together to conserve a rich culture that is as old as 3000 years. Muziris Project is currently spread over 150 sq.km region encompassing 7 Panchayaths and 2 Municipalities. This region forms a part of the heritage tourism circuit between North Paravur in Ernakulam and Kodungallur in Thrissur. Hon’blePresident of India inaugurated the first phase of Muziris Heritage Project on 27.02.2016.

Duties and responsibilities

1. The Consultant in Archaeology will function as an Archaeological adviser of the Muziris Project Ltd.

2. The Consultant shall prepare a detailed concept plan for the archaeological excavation and conservation for Muziris Heritage Project.
3. The Consultant should prepare an archaeological conservation plan for facelift of the existing museums and heritage sites and running of Cheramanparambu Activity Centre according to the Master plan.
4. Provide support for all the Archaeological excavation activities in the Muziris Projects Ltd., strictly obeying the norms and conditions of State Archaeology Department and ASI.
5. The Consultant shall run the Conservation Laboratory utilizing the facilities of Muziris Project Ltd., and also prepare an operation plan for the Lab.
6. The Consultant in Archaeology will also prepare a Conservation plans for the entire museums and sites already set up under the Muziris projects and also for the upcoming museums and heritage sites under Muziris Heritage Project.
7. The Consultant shall also oversee the various departments of the project such as education, publication, documentation, research etc besides being able to manage a excavation and conservation team which will include exhibition designers, material conservators, curators besides other technical experts and other non technical members.
8. The Consultant shall liaison with relevant national and international universities, ASI, academic, cultural organizations etc for the activities to upgrade the Muziris Heritage Project.

(NB:- The above are only indicative in nature and the duties and responsibilities will vary as per requirements from time to time.)
